About Us

The Team

Agency Background

Founded in 2006, AG Design Group, Inc. is an award winning, full service Creative Agency and Marketing Firm. AG Design Group, Inc. is a Women-Owned and Minority-Owned Small Business headquartered in Walnut Creek, California. We are located steps from San Francisco and Silicon Valley in the heart of Northern California's Bay Area. We have proven capabilities in executing coast-to-coast projects for clients from San Francisco to New York, and have partnered with teams in Europe and Asia.

Our Team strives to achieve professional design, direction, and communication success for our clients. Our success and the success of our clients, take the form of company growth, identification, brand recognition, design innovation, and return on investment. We specialize in tailoring our services to our clients' needs, combining innovation and creative
